Guidelines:

1. All classes will be NRHA approved.
2. The NRHA handbook will be used to determine class eligibility.
3. Riders must be current NRHA members in good standing for points to count toward year-end awards. Points earned prior to payment of current year membership will not be awarded.
4. 50% Rule. In order to be eligible for year-end prizes the rider/horse combination must compete in the circuit class a minimum of 50% of the time it is offered. Points are awarded to rider/horse combinations.
5. The same horse/rider combination cannot win multiple year end saddles. In the event that this rider/horse will be awarded the saddle of their choice and receive a buckle in place of the other.
6. Open riders cannot win multiple year end saddles. In the event that this occurs the rider/horse will be awarded the saddle of their choice and receive a buckle in place of the other Saddle.
7. Open division riders are not held to horse/rider combination restrictions.
8. Open division riders may show multiple horses in a class.
 - a. If an open rider shows multiple horses the highest placing horse's points will be counted towards year end awards. Lower placing horses' points do not count towards year end awards but they are still used for tie-breaker purposes. Tie-breaker classes will be awarded based on the NRHA schedule A payback schedule, which is based on class size. NRHA payback schedule B will be used if the class is a \$20,000 or more saddle class. Tie-breaker classes will be awarded based on the NRHA Point Scale (page 50 of the 2019 NRHA Handbook) which is based on class size with a maximum of 10 points possible for 1st place. If there is a tie in a class the points will be added together for any ties and then divided by the number tied. This includes 1st place ties. A run-off of a class that is tied will have no effect on points awarded.
12. Decimal points will be calculated to the hundredth.
13. In the event that there is a tie at the end of the year for a 1st place award the tie will be broken in the following manner:
 - a. The rider/horse combination that has the most 1st place wins in that circuit class is the winner.
 - b. If the tiebreaker above does not break the tie then the rider/horse combination that has placed in that circuit class the greatest number of times is the winner.
 - c. If the tiebreaker above does not break the tie then the rider/horse combination that has won the most MCHA money in that circuit class is the winner.
 - d. For Open divisions, the same rules apply except for the rider/horse combination restriction.
14. In the event that there is a tie for second place in a saddle class (buckle award), a buckle will be awarded to all tied exhibitors. Similarly, ties for 3rd and 4th place will be awarded the same prize corresponding with the prize of the highest place tie. Prizes only awarded to 4th place.
15. Year-end Point Prizes will be paid for by the NRHA Point Club. If funds are not available prizes will be adjusted.
16. For issues and rules not addressed here, refer to the NRHA Handbook.
17. The NRHA Saddle Circuit rules will be reviewed and updated annually by the NRHA Board of Directors.

NRHA PAYBACK SCHEDULE A

Use this payback schedule for all ancillary NRHA classes EXCEPT \$2,000 or more added Category 1 classes (refer to NRHA Payback Schedule B for \$2,000 or more added Category 1 classes)

Number of horses to be used for computation shall be those horses actually competing; excluding the number of horses entered but scratched from competition.

Neither a no score nor a 0 are eligible to receive points in an NRHA youth class; however, this does not alter the above scale of points for placing.
